Empower lives through your Charity!

An older woman is trying to manage her home after her husband's passing. She sews clothes for income, but her weak eyesight is a challenge. Her daughter, with her own children, lives with her. Your support can bring relief to their situation. Let's come together and make their journey a bit easier.

A family of 6 is struggling to make ends meet. The husband was working as a servant in a hotel, but he was laid off. The wife is working as a maid in homes, but her income is not enough to support the family. They have 4 children to feed and clothe, and they are unable to pay their rent, bills, and school fees. Please help this family in their time of need.
